

This week in Caterpillars Class

We had a shark theme to some of our learning this week, in Mathematics we used a measuring tape outside to see how long different sharks were, recognising the numbers on the tape measure. For Literacy we played with the shark letters game, we had to feed the shark the correct letter and sound.

We practised our fine motor skills when chopping fruit to make smoothies, we used raspberries, bananas, apple and lime juice, the smoothies were very tasty. We also used pegs to hang up baby clothes on the washing line, this helped us practise our pincer grip.

In our role play area this week, we had Caterpillars Post Office and Caterpillars Shiny Teeth dentist. We used the 'Drill and Fill' dentist Playdoh and talked about how to look after our teeth.

Our Christmas songs are being practised every day, ready for our Christmas sing-a-long, we are getting really good with the actions.

Next Week in Caterpillars Class

In our role play area next week we will have Caterpillars Baby Clinic, we will be weighing and measuring the babies, looking after them and changing their nappies.

We will be talking about our daily routines using prepositions, before, next after.

For Mathematics we will be looking at Clocks, recognising the numbers and beginning to talk about time.

Drill and Fill Dentist

Fun on the Slide

Painting Christmas Decorations

This week in Ladybirds Class....

We were looking at number matching in mathematics as well as using the diggers and stones in the sand to count how many stones could fit into the diggers.

We practised our motor skills, threading beads onto string, we also had fun tipping and pouring dried food out of jugs and containers.

For communication and language we listened to different sounds on the cd player and tried to guess what the sounds were.

Ladybirds really enjoyed singing nursery rhymes and practising their Christmas songs.

Next Week in Ladybird's Class

We will be looking at recognising numbers up to 10.

In our role play area we will have Caterpillars Baby Clinic where we will care for the babies.

For Literacy we will look at 'Dear Zoo' book with animals, making the sounds and naming the different animals.

Important Reminders

The weather is getting much colder now please remember to send your child in with appropriate clothing for out door play such as hats, scarves and gloves.

COVID-19

The cases of COVID are on the rise and we would like to try and keep Nursery a COVID free environment, please do not send your child into nursery if they have any of the following symptoms, continuous cough or high temperature, unless they have had a confirmed negative PCR test.

Whilst we appreciate it is the season for colds and runny noses, please do not send your child to nursery if you have given them Calpol to mask any symptoms.
Thank you for your support.

Caterpillars Class News Books

We would be really grateful if you can send in any news for your child to share in their news books, it can be anything for example a family birthday, weekend activity, family visit or a new pet.

Urgent Reminder!

NO Nut products in lunch boxes please we have children at nursery with severe nut allergies the nursery is NUT free - no products containing nuts and no chocolate spread please - if nut products or chocolate spread is in your child lunch box they will not be allowed to eat it.

Thank you
