Important Christmas Reminders

Christmas Sing-a-long

Unfortunately, I am very sorry to inform you that I have had to make the decision not to invite parents for our Christmas sing along next week. This decision had not been made lightly. Following further guidance this week from Surrey County Council regarding high infection rates, which are still rising in Surrey, to ensure we keep everyone as safe as possible heading into Christmas, I feel the right decision is not to have parents in for the children's performance. We will however video the performance next week and send it out for you to enjoy at home. Non-session children will therefore not need to come in for the performance as we will video them on different days.

Thank you for your understanding, Becky.

Christmas Party day

Friday 17th December, Party Day. We are looking forward to our Christmas Party, the children are invited to wear their party clothes, non session children in from 10:30am pick up at 12:15pm

COVID-19

The cases of COVID are on the rise and we would like to try and keep Nursery a COVID free environment, please do not send your child into nursery if they have any of the following symptoms, continuous cough or high temperature, unless they have had a confirmed negative PCR test.

Whilst we appreciate it is the season for colds and runny noses, please do not send your child to nursery if you have given them Calpol to mask any symptoms.

Thank you for your support.
