

**This week in Caterpillars Class we.....**

- ◆ Investigated why 'Humpty Dumpty' couldn't be put back together again using real eggs.
- ◆ Looked at 'ramps' and how to make vehicles go faster and slower down the ramp.
  - ◆ Have worked on our phonics focusing on the sound 'S'.
- ◆ Made a self portrait of ourselves while looking into the mirror.
- ◆ Made tea for 'The tiger who came to tea' we also looked at the pattern of a tiger and painted our own stripes.

**Next week in Caterpillars Class we will be...**

- ◆ Making our own fruit kebabs, learning the names of fruit and about what foods are healthy for us.
- ◆ Working on building our fine motor skills through threading and sewing activities.
- ◆ Exploring in our construction role play learning about the different tools and what they are used for.

**Home learning :**

We ask if you could take a photo of your front door and either print out and bring into nursery or send a photo via WhatsApp, text or email for an activity.

Thank you

## Notices/Reminders

- Jeans for Genes Day

We will hold three charity days this week on Monday, Wednesday and Friday. The children are invited to wear Jeans and make a donation in the collection box by the front door for the 'Jeans for Genes' charity that supports families & children with genetic disorders.

- If you would like to join the Caterpillars Parents WhatsApp group please contact Becky for contact details.
