

Ladybirds Class Newsletter

10.11.23

This week in Ladybirds Class we . . .

- ◆ Mixed coloured shaving foam to see what colours we can make our ice creams.
- ◆ Worked on counting 1-5 and 5-1 (blast off) during our rockets small world play.
 - ◆ Made planet biscuits.
- ◆ Explored our sensory farm tuff tray and counting out how many animals we could see.
- ◆ Worked on naming shapes circle, square, triangle and rectangle during our space rocket craft.

After half term in Ladybirds Class we will . . .

- ◆ Be using balloons to paint our own planets.
- ◆ Be reading and act out 'Goldilocks and the three bears' and taking part in a porridge making tuff tray.
 - ◆ Be using superhero's to support our counting and recognising numbers.
 - ◆ Look at different patterns of animals and seeing if we can make our own patterns.
 - ◆ Be working on our social skill's during a small group ball rolling game.

Home learning...

To continue to support the children's counting skills, encourage them to count out while they are playing or on walks how many steps to get to the tree?
