

This week in Caterpillars Class we.....

- Have been working on pronouncing the sounds of 'a' and 's' during a interactive phonics CD activity.
- Went on a letter hunt learning the initial phonic sounds of our names.
 - Used gems to count out and match quantity to number.
- Worked on recognising & the formation of numbers by making our own clocks.

Next week in Caterpillars Class we will be...

- ♦ We will be using props to act out a story about Winnie the Pooh.
 - ♦ Ordering dinosaur bones in order of size big to small.
 - ♦ Working on our gross motor skills by dancing with ribbons.
- ♦ Junk modelling boats and racing them in water to see which stays afloat and investigating different materials
 - ♦ Learning what countries different animals come from.

Home learning :

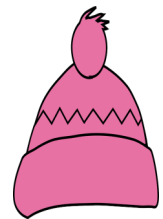

Have a game of I-Spy using initial sounds or colours?

This will work support with listening and attention and learning different sounds.

Dates & Reminders

- January 18th is Winnie the Pooh Day. The children are invited to bring in a Pooh bear teddy/ book if they have one.

We try very hard to return everything home, this can be very difficult if clothing is not named.
