

This week in Caterpillars Class we.....

- Made honey sandwiches on Winnie the pooh day.
- Acted out the Winnie the pooh story using sensory props.
- Looked at different countries on the globe and matched animals to countries
 - Made our own flags.
- Made our own boats and tested them in water to see if they would sink or float.
 - Worked on number recognition during a game of snap.

Next week in Caterpillars Class we will be...

- ◆ Working on shape recognition during a penguin craft activity.
- ◆ Saving penguins from the ice using hammers in our winter tuff tray.
- ◆ Working on colour recognition when going on a flag hunt.
- ◆ Starting to look at adding numbers together using our fingers to count out.

Home learning :

Using house hold items and a bowl of water, can the children guess if the items will sink or float?
