

Ladybirds Class Newsletter

19.01.24

This week in Ladybirds Class we . . .

- ◆ Worked on number recognition using a dice and fly swats to get the number that was shown on the dice.
- ◆ We built building houses in our construction role play for the three little pigs after reading the story.
 - ◆ Worked on colour recognition using coloured water.
 - ◆ Making tracks in brown paint with big and little tyres

Next week in Ladybirds Class we will . . .

- ◆ Learning about keeping our teeth clean during a animal teeth cleaning tuff tray using a tooth brush.
- ◆ Be reading 'The big red bath' story and acting out the story using props.
- ◆ Be learning the concept of 'floating' and 'sinking' using different objects placed in to water.
- ◆ Work on jumping and introducing hopping when doing the hopscotch outside.

Home learning :

Look for numbers when out and about signs, doors, shops everywhere!
Let us know, take pictures so we can talk to the children about what they found.

Reminders

- Please ensure ALL items of clothing are named.
